Official Prices

Ministry of Agriculture, Livestock and Fisheries Argentina

GRAIN QUOTES Law: 27/11/2020

incoterms	 Wheat for Bread	 Yellow Corn	 Sunflower oilseed	 Soybean oilseed
FOB AR	USD 255 ton	USD 228 ton	USD 560 ton	USD 496 ton
FAS AR	USD 212 ton	USD 189 ton	USD 446 ton	USD 323 ton
FOB USA	USD 267 ton	USD 221 ton	-	USD 485 ton

Payment terms:

1. Stand By Letter of Credit for 50% of the FOB value of the proforma invoice
2. The payment condition is TBD (to be determined)
3. Final invoice is issued at the port of loading for 100% of the cargo value
4. The client's bank releases 100% (50% of the proforma value) of the value of the instrument + the total difference determined in the official invoice and quality certificate that determines the final price
5. Containers are loaded inside the ship or bulk products are loaded inside the ship
6. Exporter releases bill of loading + certificates of origin

OBSERVATIONS: Prices will be taken on the loading day in front of the CABC (Chamber of Arbitration of the Cereal Exchange) and SGS (SGS Argentina SA). These rating agencies will determine the final price considering the marketing standards, increasing the market value due to improvements in quality or decreasing the market price considering the marketing standards due to decreased quality.
